Mr. J. J. Gray,

Toronto.

Dear Mr. Gray:

I have just received a telegram from Sir Thomas White, acting as Prime Minister, requesting the University to place the laboratories at the disposal of Mr. Burgess and Hutchings, the understanding being that the University is to be put to no expense and that the outcome is to be placed at the disposal of the British Admiralty. Will you please see Professor Burton so that we may have a conference with Mr. Burgess and Mr. Hutchings as to what their requirements may be so that if possible we may meet their request.

I am,

Yours sincerely,

President.
